

**Thank you for supporting this year's Revesby Country Fair. The notes below outline all the main information needed before and on the day.**

### Gates open

- Friday 2nd August: 12 noon – 6.30pm
- Saturday 3rd August: 9am – 8pm
- Sunday 4th August: 6am - 8am

If you need to begin setting up before noon on Friday, please contact us to ensure we can accommodate your needs.

### Getting here

**ALL Traders must use the PARK LANE gate and NOT the main gate as in previous years (will be signposted for TRADERS from A155).**

There will be security on the gate from Saturday morning - but before that there is none. Property left on site is at all times entirely at the risk of the owner.

### On the day

Gates open to the public at 8.30am on the day, so **NO vehicles** may move around on the show site after 8am. Please ensure that if you have a vehicle to return to the car parking area that you do so before the deadline. **Vehicular movements do not resume until 5.30pm.**

We have done our best to accommodate everyone's needs and wishes but make no guarantee to have placed anyone in exactly the place that they have requested.

### Stand location and tickets

Your stand number is available to find on our list of 2024 exhibitors on the website - this now cannot be changed.

Your tickets and vehicle passes will be posted out to you before the show - please expect these to arrive in the coming days.

**Entry to the park will only be gained with your tickets and vehicle pass. Tickets will be required on all days including prior to the show.**

**Each person you bring with you will need a ticket to get in, as stated on the application form. If you do not have enough tickets, please contact us ASAP.**
